

MOTHER LITTLE HELPER

Rolling Stones

Am C D Em
What a drag it is getting old

Kids are different today, I hear every mother say
Mother needs something today to calm her down

G C Em Am
And though she's not really ill, there's a little yell-ow pill

Am D7
She goes running for the shelter of a mother's little helper
Em
And it helps her on her way, gets her through her busy day

Things are different today, I hear every mother say

F D
Cooking fresh food for her husband's just a drag
G C Em Am
So she buys an instant cake and she burns her frozen steak

Am D7
And goes running for the shelter of a mother's little helper
Em
And two help her on her way, get her through her busy day

Doctor, please, some more of these

G C
Outside the door she took four more

What a drag it is getting old

Men just aren't the same today, I hear every mother say
They just don't appreciate that you get tired
They're so hard to satisfy, you can tranquilize your mind
So go running for the shelter of a mother's little helper
And four help you through the night, help to minimize your plight

Doctor, please, some more of these
Outside the door she took four more
What a drag it is getting old

Life's just much too hard today, I hear every mother say
The pursuit of happiness just seems a bore
And if you take more of those, you will get an overdose
No more running for the shelter of her mother's little help
They just help you on your way through your busy dying day
