Sting

Em            A            Bm            A  
I don't drink coffee I take tea my dear  
Em            A            Bm            A  
I like my toast done on the side  
Em            A            Bm            A  
And you can hear it in my accent when I talk  
Em            A            Bm            A  
I'm an Englishman in New York

See me walking down Fifth Avenue  
A walking cane here at my side  
I take it everywhere I walk  
I'm an Englishman in New York

## REFRAIN

I'm an alien I'm a legal alien

Em            A            Bm            A

If "manners maketh man" as someone said  
Then he's the hero of the day  
It takes a man to suffer ignorance and smile  
Be yourself no matter what they say

## REFRAIN

## PONT

D                            A  
Modesty, propriety can lead to not oryety  
Bm                            F#  
You could end up as the only one  
G                            A  
Gentleness, sobriety are rare in this society  
F#7                            Bm  
At night a candle's brighter than the sun

Takes more than combat gear to make a man  
Takes more than license for a gun  
Confront your enemies, avoid them when you can  
A gentleman will walk but never run

If "manners maketh man" as someone said  
Then he's the hero of the day  
It takes a man to suffer ignorance and smile  
Be yourself no matter what they say

I'm an alien I'm a legal alien  
I'm an Englishman in New York  
I'm an alien I'm a legal alien
